Traditional Colors

A classic color for everyday office and study use. Its striking color facilitates file sorting and is also suitable for presentations and presentations in formal or special occasions.

01 02 03 04 05

Vivid Colors

More vivid and lively colors, suitable for personalized office and study. Can be easily adapted to a variety of occasions, the first choice for fashionable storage.

06 07 08 09 10 11

Elegant Colors

Warm yet mysterious, romantic yet profound, distinguished from the bright colors of traditional stationery, it appears more sophisticated and elegant, enhancing the sense of quality.

12 13 14 15 16 17

Pastel Colors

The fresh macaron color scheme is softer in style. Inspired by the colors of candies and flowers, it has a higher aesthetic tone.

18 19 20 21 22

Neutral Colors

The neutral and calm tones are more advanced and textured, and can be widely adapted to a wider range of people and scenes, enhancing the visual quality and aesthetics of office and study.
